3" long x 3" wide x 5" tall
ceramic bell + clapper
(functional), metal wire
Price: \$50

Christineyerielee.com

****DISCLAIMER**** This item is unfired raw clay and thus very fragile. Drop off available in LA county. Raw clay will dissolve completely if placed in water, and will surrender naturally to the elements if left in solid, dry form. The *forever sonic signaller* is an ephemeral art object existing purely to test its temporal limits within its environment.

Jennie E. Park

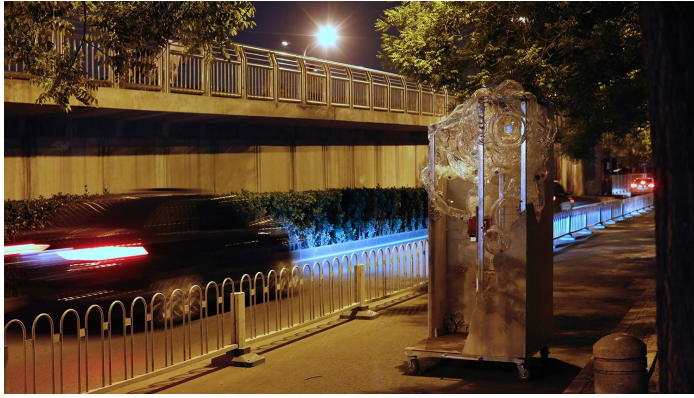

Vision Test / Viewfinder, 2020

Kinetic sculpture (21" x 13.25" x 20") and digital video (8:08 minutes)

Sculpture: Wood, acrylic, gearbox motors, Arduino, breadboards, jumper wires, switch, power cables, metal hardware (brackets, screws, washers), magnets, paint, iPad.

(Viewable with longer description through [Torrance Art Museum](#))
